Safety for All

Our mission is to Bring Inspiration to Craftsmen.
We believe in improving our world with the power of skills.

Our products and services are professionally comfortable and user friendly.
We just happen to make great safety footwear since 2021.

Safety Shoe Specs

				
Microfiber Durable, tear-resistant	Fabric Breathable, dry feet	KPU Durable, breathable, flexible	IP One-piece molded, lightweight flexible, acid/alkali resistant	Leather Strong, durable, stable
Toecap				
Features	aluminum 40% lighter than steel	composite 30% lighter than steel	PL Perforation resistance textile (nail 4.5 mm)	PS Perforation resistance textile (nail 3 mm)
Height				
Features	25cm Support, protection, ankle stability	13-19 cm Flexible, stable support, comfort	10 cm Lightweight, breathable, comfort	
				
SD Deep tread, for outdoor use	LG Moderate tread, according to CE EN ISO 20345 : 2022 Ladder Grip	CE Moderate tread, suitable for both indoor and outdoor use	IP Moderate tread, according to CE EN ISO 20345 : 2022 Ladder Grip	AF High tread density, for indoor use

01

3.Slip resistance, SR - according to EN ISO 20345: 2022, SRC - according to CNS 20345: 2015, SRC is the same as SR slip resistance rating											

Join **PATRONI**

Be the Strongest Support for Professionals
Through our stores and products, become a messenger of safety.

Our Promise, Thanks to Quality

→ Stitch Down durable construction,
life guarantee.

Commitment to R&D

→ Meets global standards for
anti-static and insulation.

Exclusive Advantages

→ Stitch Down durable construction,
standard anti-puncture protection.
